Organ Prelude: Prelude and Fugue in E-Flat Major by Wm. Boyce

Welcome, Announcements & Land Acknowledgement

Call to Worship (Responsive)

O Lord, our Sovereign,

How majestic is your name in all the earth!

Your glory is above the heavens and surrounds us in the world.

And so, we come to praise you!

When we look at your heavens, the moon and stars, the work of your fingers,

Who are we to praise you?

Yet you have made us in your image and set us in this world you love.

We come to worship you and learn to care for your earth.

First Hymn: #559 Thou, who at thy first eucharist did pray

Prayer of Confession (Unison)

Creator God, we gather with joyful hearts and uplifted spirits, remembering all you have done for us and call us to do for others. With the power of your word you brought the universe into being, creating all things in beauty. In your generosity you imprinted humankind with your image and designed a world where we could come to know you and walk in your light. God our Redeemer, we confess that we have not lived wisely in your creation, and so the earth suffers.

→

We have not valued ourselves or one another as those made in your image, and so our relationships are strained. God our Sustainer, we have not trusted in your loving guidance, and so we follow paths that lead to foolish ends. Forgive our mistaken choices and selfish desires. Call us back to your loving presence and teach us again how to follow you. Amen

Assurance of Pardon

The Apostle Paul declared to us that, from now on, we regard no one from a human point of view. If anyone is in Christ, there is a new creation. Everything old has passed away. See, everything has become new! Thanks be to God.

Prayer for Illumination

Living God, help us to hear your Word that we may truly understand; so that as we come to understand, we may trust you, and in trusting, we may follow you, through Christ our Lord. Amen.

Invitation the Table

The Great Prayer of Thanksgiving # 564

The Lord be with you.

And also with you.

Lift up your hearts.

We lift them to the Lord.

Let us give thanks to the Lord our God.

It is right to give God thanks and praise.

Holy God ... as we join the song of creation to give you praise:

(‘Holy, Holy, Holy’ by Franz Schubert - sung by choir)

We praise you... as we proclaim the mystery of faith:

Christ has died, Christ is risen, Christ will come again.

Gracious God... in the prayer Jesus taught us:

Our Father, who art in heaven – hallowed be thy name. Thy kingdom come – thy will be done – on earth as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen

As the Lord Jesus ... The gifts of God for the people of God.
